MATH 571: MATHEMATICAL LOGIC, FALL 2015

INSTRUCTOR

Rutger Kuyper (also spelled as Rutger Kuijper)
Office: 403 Van Vleck Hall
Email: mail@rutgerkuyper.com
Website: http://rutgerkuyper.com

OFFICE HOURS

Mondays, Wednesdays and Fridays 9:55–10:45 a.m., or see me after class to arrange for an alternative time if you cannot make the regular times.

TEXTBOOK

Herbert B. Enderton, *A Mathematical Introduction to Logic, Second Edition*, ISBN 978-0122384523. The book will occasionally be supplemented by handouts prepared by the lecturer.

HOMEWORK

Assigned on Fridays, collected on the following Friday *at the beginning of class*. No credit will be given for late homework, except in case of illness or family emergency.

EXAMS

There will be two midterm exams (Wednesdays, October 7 and November 11, 5:30–6:30 p.m.) and a final exam (Friday, December 18, 12:25–2:25 p.m.). Makeup exams will be scheduled only with the instructor's consent, and only in case of illness, family emergency, or conflict with a class requiring your attendance. (Your final exam can also be rescheduled if you have more than two exams during a 24-hour period.)

GRADES

Based on homework (20%), the two midterm exams (20% each) and the final exam (40%). You are required to prepare your homework assignments on your own (but are encouraged to work on similar problems with others). Copying homework is unacceptable and will be strongly acted against; in the best case, you will be given a warning instead of credit. There will also be no credit for (unexcused) late homework. Valid excuses for late homework are illness or family emergency.
